# 1. INICIACIÓN EN LA WEB OF KNOWLEDGE

The screenshot shows the Web of Knowledge homepage. At the top, the logo 'WEB OF KNOWLEDGE™' is displayed next to the tagline 'DISCOVERY STARTS HERE'. The Thomson Reuters logo is in the top right corner. Below the header, a navigation bar includes links for 'Go to mobile site', 'Sign In', 'Marked List (0)', 'My EndNote Web', 'My ResearcherID', 'My Citation Alerts', 'My Saved Searches', 'Log Out', and 'Help'. The main content area is divided into two tabs: 'Web of Science' and 'Additional Resources', with a red arrow pointing to the latter. Under the 'Additional Resources' tab, there are links for 'Search', 'Author Finder', 'Cited Reference Search', 'Advanced Search', and 'Search History'. The 'Search' section features three input fields with dropdown menus for 'Topic', 'Author', and 'Publication Name'. Each field has an example text and a search icon. Below the search fields are 'Search' and 'Clear' buttons, and a note that 'Searches must be in English'. The 'Current Limits' section includes a 'Timespan' dropdown set to 'All Years' (updated 2011-12-18) and a 'From' to 'to' date range set to '1899' to '2011' (default is all years). It also lists 'Citation Databases' and links to 'Adjust your search settings' and 'Adjust your results settings'. On the right side, there is a 'FECYT Consortium Academic Group' logo and a 'Questions about the new Web of Knowledge?' section with a link to 'Frequently Asked Questions'. Below that is a 'Support, Tools, Tips' section with links for 'Download quick Recorded Training', 'Access additional Training Resources', and 'More questions? Consult the Help files'. A 'What's new in Web of Knowledge?' section lists updates like 'Researcher ID is now searchable from within Web of Science™' and 'Automatic spelling variations and all new Author Finder in Web of Science™'. At the bottom, there is a 'View in:' section with links for '简体中文', 'English', and '日本語'.
